

STALOWE CENTRUM SERWISOWE

Integrated Management System Policy

The aim of Tesko Steel sp. z o. o. (Limited Liability) is to strive to become a leader in innovation and excellence in the scope of supplied strips and sheets cut to size and offered steel products. We aspire to set new quality standards by investing in modern technologies while taking care of the environment, safety and well-being of our employees.

We strive to ensure that the products we offer are in line with the latest ecological trends, while maintaining occupational health and safety standards, and that the products we deliver become synonymous with durability, precision and adaptability. As a conscious entrepreneur, we respond to the dynamically changing needs of the market and contribute to building balance in every aspect of our activities. Thanks to this, we can become the first choice for the most demanding customers.

We commit to:

- protect the natural environment and prevent pollution,
- ensure safe and hygienic working conditions, prevent injuries and health conditions, and eliminate hazards and reduce health and safety risks,
- maintain the machinery at a level that enables the delivery of products that meet the requirements of contractors,
- confirm the compliance of our activities with legal and other requirements,
- conduct consultations and ensure employee participation within the framework of the functioning integrated management system,
- act in accordance with the concept of sustainable development,
- motivate employees to engage in the development of the Company and the improvement of identified processes,
- cooperate with our business partners in an open and committed way,
- respect the needs and ethical values of all parties in the environment,
- continuously improve the management system in order to improve the results of our activities.

The implementation of the Integrated Management System Policy according to ISO 9001, ISO 45001 and ISO 14001 is the obligation of the Board, Management Staff and each Employee of Tesko Steel sp. z o. o. (Limited Liability)
